

Kick Off Information: Horace Mann Fun Run

A fun, healthy way to raise money for our school!

On February 28, Horace Mann is hosting our second annual Fun Run, an innovative fundraiser that promotes healthy habits & having fun while raising money for the school. On Fun Run Day, all K-8 students participate in outdoor activities, including games and exercise competitions. We are excited that we will have a special activity booth provided by LA Galaxy. Parents are invited to attend and cheer the kids on!

Our total school goal is \$60,000

All monies raised will support student educational needs at Horace Mann and will be used to fund field trips, family fun nights, classroom enrichment and much, much more. In addition, if we hit our school goal, it will enable us to fund new lunchtime activity programs for our K-8 students and to purchase new equipment for the school, including a new portable sound system.
