### Did you know...

The US is the 4th largest country in the world by land area and 3rd by population.

Canada is the second largest country in the world, right after Russia. Canada has more lakes than the rest of the world's lakes combined.

The Amazon river in Brazil is the second longest river in the world after the Nile.

Evidence of human life in South America dates back to 9000BC!

### Teachers:

Please be sure to remind students to bring their passports to lunch so they can collect stamps from the different Americas region countries they visit!
