Did you know...

The longest river in the world, the Nile (4,132 miles), is located in Africa.

Africa has the world's largest desert, the Sahara, which is almost the size of the United States.

It is estimated the humans have lived in Australia for around 45000 years.

The world's largest reef system, the Great Barrier Reef, is found off the north-eastern coast of Australia.

Teachers:

Please be sure to remind students to bring their passports to lunch so they can collect stamps from the different African and Oceanic countries they visit!
