HUSKY ANNUAL FUND

- The Husky Annual Fund allows parents to **directly contribute** to PTA funded and supported programs at Horace Mann.
- Our children enjoy excellence in education but the District budget does not cover the entire cost.
- Horace Mann needs to supplement our budget with an average of \$500 per student
- **This number equates to \$2.73 per day.**
- With your support and commitment, we can develop the enrichment programs and ensure that all our children are influenced in meaningful ways.
- **Commit to Educate, Nurture and Inspire! Click [Here!](#)**

BEVERLY HILLS EDUCATION FUND

- The Beverly Hills Education Foundation supports the five public schools in the Beverly Hills Unified School District.
- The PTA can pay for equipment and materials but we cannot provide for teachers, aides, and some programs. **BHEF can!**
- Think of it like this...PTA pays for things, BHEF pays for people. Horace Mann and BHEF work hand in hand.
